THE PRIVACY ACT

Section 205(a) of the Social Security Act allows us to ask for the information on this letter. The information you give us will be used to give the employee credit for the correct amount of wages. You do not have to complete this letter. However, if you do not, we cannot give the employee credit for the correct amount of wages. We may give this information to the Internal Revenue Service for tax administration purposes or to the Department of Justice for investigating and prosecuting violations of the Social Security Act.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it. Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.
